

Silence on the Mountain: Stories of Terror, Betrayal, and Forgetting in Guatemala

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

SILENCE ON THE MOUNTAIN: STORIES OF TERROR, BETRAYAL, AND FORGETTING IN GUATEMALA

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Silence on the Mountain: Stories of Terror, Betrayal, and Forgetting in Guatemala, Daniel Wilkinson, Silence on the Mountain is a virtuoso work of reporting and a masterfully plotted narrative tracing the history of Guatemala's thirty-six-year internal war, a conflict that claimed the lives of some 200,000 people, the vast majority of whom died (or were "disappeared") at the hands of the U.S.-backed military government. Written by Daniel Wilkinson, a young human rights worker, the story begins in 1993, when the author decides to investigate the arson of a coffee plantation's manor house by a band of guerrillas. The questions surrounding this incident soon broaden into a complex mystery whose solution requires Wilkinson to dig up the largely unwritten history of the country's recent civil war, following its roots back to a land reform movement that was derailed by a U.S.-sponsored military coup in 1954 and to the origins of a plantation system that put Guatemala's Mayan Indians to work picking coffee beans for the American and European markets. Decades of terror-inspired fear have led the Guatemalans to adopt a survival strategy of silence so complete it verges on collective amnesia. The author's great triumph is that he finds a way for people to tell their stories, and it is through these stories--dramatic, intimate, heartbreaking--that we are shown the anatomy of a thwarted revolution that has relevance not only to Guatemala but to countless places around the world where terror has been used as a political tool.
