St Martin's Press. Paperback. Book Condition: new. BRAND NEW, The Mafia Manager: A Guide to the Corporate Machiavelli (St Martin's Griffin ed), V, A leading figure from one of the world's first and best organized conglomerates here reveals management techniques we can all use. Witty, fun, and surprisingly useful, this is a must for the aspiring corporate Machiavelli. Unlike other management guides, The Mafia Manager shuns theoretical verbiage and instead presents the pragmatism and guiding philosophy of the leadership that founded and captained "The Silent Empire" through its centuries of expansion and success. And rather than being seen as the twisted workings of the so-called "criminal" mind, these plans of action and gems of counsel are presented for what they indeed are - the reflection of a penetrating understanding of the dynamics of human nature. The Mafia Manager promises the most unique and practical guidebook on management ever. No reader will look at the workplace in quite the same way.
