*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Gunton s Magazine, Vol. 12 Mr. Cleveland has delivered what is believed and hoped to be his last official message to the American people. In view of the numerous mistakes committed alike in foreign and domestic affairs by his administration, with their disastrous consequences to the nation, his last message might have been expected to contain at least an air of modesty regarding the topics on which his policy has been most disastrous to the country. But such is not the case; he is evidently bound to leave office an unrepentant blunderer. Instead of frankly confessing the miscarriage of his great tariff reform measure, which cut off the revenues, destroyed business, created a financial panic, and added nearly \$300,000,000 to the national debt, he attempts a defense of it with as much assurance as if it had been a great success. In the face of the fact that the nation has suffered industrial depression and panic during his entire term, and bonds have four times been issued to save the Treasury from bankruptcy, he pretends that the Wilson Bill has increased the market for our manufactures and produced a surplus of \$128,000,000 in the Treasury. He says whatever may be its shortcomings as a complete measure of tariff reform, it must be conceded that it has opened the way to a freer and greater exchange of commodities between us and other countries, and thus furnished a wider market for our products and manufactures. Freer and greater exchange of commodities, forsooth! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
