

Sailing from Byzantium: How a Lost Empire Shaped the World

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

SAILING FROM BYZANTIUM: HOW A LOST EMPIRE SHAPED THE WORLD

Tantor Media, Inc, United States, 2006. CD-Audio. Book Condition: New. Unabridged. 190 x 135 mm. Language: English . Brand New. A gripping intellectual adventure story, *Sailing from Byzantium* sweeps you from the deserts of Arabia to the dark forests of northern Russia, from the colorful towns of Renaissance Italy to the final moments of a millennial city under siege. Byzantium: the successor of Greece and Rome, this magnificent empire bridged the ancient and modern worlds for more than a thousand years. Without Byzantium, the works of Homer and Herodotus, Plato and Aristotle, Sophocles and Aeschylus, would never have survived. Yet very few of us have any idea of the enormous debt we owe them. The story of Byzantium is a real-life adventure of electrifying ideas, high drama, colorful characters, and inspiring feats of daring. In *Sailing from Byzantium*, Colin Wells tells of the missionaries, mystics, philosophers, and artists who against great odds and often at peril of their own lives spread Greek ideas to the Italians, the Arabs, and the Slavs. Their heroic efforts inspired the Renaissance, the golden age of Islamic learning, and Russian Orthodox Christianity, which came complete with a new alphabet, architecture, and one of the world's greatest artistic traditions. The story's central reference point is an arcane squabble called the Hesychast controversy that pitted humanist scholars led by the brilliant, acerbic intellectual Barlaam against the powerful monks of Mount Athos led by the stern Gregory Palamas, who denounced pagan rationalism in favor of Christian mysticism. Within a few decades, the light of Byzantium would be extinguished forever by the invading Turks, but not before the humanists found a safe haven for Greek literature. The controversy of rationalism versus faith would continue to be argued by some of history's greatest minds. Fast-paced, compulsively readable, and filled with fascinating...
