The Adventures of Carbon (Paperback)

By Be Naturally Curious

Be Naturally Curious, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.What is carbon and why is it so important? Designed for K-5 children and to be done at home or with small groups, this interactive multi-activity mini-course gives young children a foundation for understanding Earth's carbon cycle, a topic that will be increasingly important over their lifetime. The mini-course includes a richly illustrated, story-based lesson as well as games, activities, and projects that appeal to all types of learners. After a fun introduction to carbon through a story about the travels of Carbon Cal, a craft project using a landscape collage helps children reinforce their understanding of where carbon is found on our planet. This understanding is further reinforced through a movement-based game in which children can act out the different forms of carbon. Children then play a carbon cycle board game (included in the mini-course) to learn how carbon is exchanged between plants, animals, the earth, and the atmosphere. Finally, children perform a safe and easy set of experiments to understand how living things release carbon dioxide into our atmosphere. Most materials needed to...
