HarperCollins Publishers, United Kingdom, 2015. Paperback. Book Condition: New. 197 x 130 mm. Language: N/A. Brand New Book. .Like Sheherazade, I was fighting to change what struck me as a very bleak future and what follows is the uncensored and unabridged account of how I met that challenge. Was I successful? Well, you ll just have to read on to find out. The Secret Diarists are an anonymous group who have never met and perhaps never will. They came together online and were inspired by one writer s idea to create a collaborative work called The Sheherazade Diaries. Loosely based on the concept of 1001 Arabian Nights, their diverse talents were challenged to create a book of romantic, erotic stories linked by a narrative thread. The result is Beth s story. Frustrated that the spark has gone out of her marriage and desperate to feel that connection again, Beth Rogers has a plan: to seduce her husband Miles all over again. Throughout their new bedtime adventures, Beth keeps a diary. Soon this diary becomes more than just a collection of erotica to arouse Miles in the bedroom, it helps Beth realize she wants more from this marriage than perhaps he can give her.A tantalising reimagining of 1001 Arabian Nights for the 50 Shades generation!.
