I started writing this book in 1991, a year or so after my Dad died. Life was brutally hard back then. Mom was still suffering from the effects of her stroke. For a while I tried holding on to my job while also caring for my Mom. My physical health nose dived and I crashed and burned. Ive been struggling to...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
