BASIC UNDERSTANDING OF FINANCIAL INVESTMENT: BOOK 6 FOR TEENS AND YOUNG ADULTS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It doesn't matter if you are a complete investing novice or simply abundantly confused about all the contradictory financial advice you are inundated with, this basic guide to Investing is an accessible guide. This book is your introduction to understanding financial investment and is one of the most important books you will ever read on how to understand the available financial tools, instruments and applications. Investing (like many things) is all about common sense. This book should be in every career counselor's office and delivered to every teen or young adult as it contains savvy financial advice for today's street-smart young investors. It is filled with in-depth insights and practical basic advice. The financial lingo and clear explanations allow this book to be easily digested by a novice. Wouldn't it be great if someone could really explain to you-in plain and simple English-the basics that must be known about investing in order to insure your financial success? This excellent practical personal finance guide really shows young investors the tools available to them to achieve financial freedom. It is an extraordinary and timely book offering guidance every beginning investor needs to understand. With this book you will understand how to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor. It gives you the basics of getting started and the motivation to handle your own money. It will give you the building blocks to create a solid investment portfolio that, over the course of a lifetime will make you wealthy.
