Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

University of Georgia Press. Paperback. Book Condition: New. Paperback. 328 pages. Dimensions: 8.1in. x 5.3in. x 0.8in. This novel of Mississippi hill country life depicts some of the more troubling and unpublicized aspects of the New Deal by tracing the fortunes of the Taylor family, sharecroppers who move to town to work for the WPA and A, the Works Progress Administration. John Faulkner, a one-time WPA project engineer, has much to satirize in this broadly comic novel. First and foremost are the Taylors: exasperating and unemployable, they are unaccountably abiding; hopelessly destitute, they place a higher premium on a new radio than on food and shelter. Faulkner also casts a sardonic eye on the town merchants, who extend credit to WPA workers as quickly as they inflate prices, and, of course, on the WPA itself, an agency that entices naive, desperate country folk with the promise of a dole--only to lay them off and then ignore them. In his foreword, Trent Watts establishes the singularity of *Men Working* while noting in it echoes of *Tobacco Road*, *As I Lay Dying*, and *The Grapes of Wrath*. Watts also identifies in John Faulkner's tone an ambivalence shared by many southerners who witnessed the changes wrought by progress upon their traditional way of life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
