Reviews

Most of these pdf is the perfect ebook available. It is actually rally intriguing throgh reading period. I am pleased to explain how this is actually the greatest ebook we have read within my personal life and might be he finest publication for actually.

(Prof. Dario Lang)

MEMOIRES ET VOYAGES PENDANT DES COURSES EN SUISSE, EN CALABRE, EN ANGLETERRE, ET EN ECOSSE (2)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Original publisher: Arlington, Va. : Office of the Inspector General, Coalition Provisional Authority, 2004 OCLC Number: (OCoLC)237048858 Subject: Materials management -- Kuwait. Excerpt: . . . Appendix A. Scope and Methodology We obtained a copy of the Kellogg Brown and Root, Inc. (KBR) property book, as of April 2004. It contained 3, 032 Coalition Provisional Authority (CPA) owned property items located in Kuwait. Those property items were valued at 3, 739, 209. We randomly selected for our sample (see Appendix B for the statistical plan and projected results), without replacement, 90 items of CPA owned property from the property book database and selected 28 reverse sample items from May 3 through May 27, 2004. Our sample contained 37 (41) of 90 items that had been shipped to Al Hillah, Anaconda (Baghdad), Baghdad, and Erbil. Those shipments occurred because Kuwait was the central location for receiving all items subsequently forwarded to locations in Iraq. We also interviewed KBR managers and CPA equipment custodians to determine if all CPA assets were maintained on accountable records. Further, we reviewed KBR records to determine if an annual inventory had been completed and an individual had signed the hand receipt for accepting custodianship. Finally, we reviewed accountability procedures to record, inventory, and reconcile assets and transactions to test the internal controls. We performed this performance audit from May through July 2004 in accordance with generally accepted government auditing standards. Use of Computer-Processed Data. We relied on computer-processed data contained in the KBR property database file. We compared output data to physical inventories to validate data accuracy and reviewed output products for completeness, obvious errors, and reasonableness. Despite the fact the KBR...
