

James: Activate: Do the Word (Paperback)

By Steven J Cole

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.An abstract word like faith can be tricky to understand. The massive importance of faith in salvation makes faith the nail that all the writers and letters of the New Testament try to pound into our personal understanding. Jesus's half-brother, James, takes a different angle with the hammer to help us comprehend what faith practically does. Pastor Steven J. Cole explains and applies the letter of James through twenty-five chapters. True faith loves one another. When hurtful words, wrong assumptions and disagreements arise. The natural and easiest thing to do is leave, argue or gossip. Most people cook up their own combination. The different age groups and relationships only add spice to the recipe of disunity. If you're not munching on the platter of conflict right now, you will be soon. James offers a more loving recipe to serve each other in the midst of zingers, disputes and misunderstandings. Expository teaching and application questions at the end of each chapter put us face-to-face with these same issues and choices. May your meditations on the letter of...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
