University Press of New England, United States, 2016. Hardback. Book Condition: New. 235 x 156 mm. Language: English . Brand New Book. Meet Morris and Lona Cohen, an ordinary-seeming couple living on a teacher's salary in a nondescript building on the East Side of New York City. In Operation Whisper, Barnes Carr tells the full, true story of the most effective Soviet spy couple in America, a pair who vanished under the FBI's nose only to turn up posing as rare book dealers in London, where they continued their atomic spying. The Cohens were talented, dedicated, worldly spies—an urbane, jet-set couple loyal to their service and their friends, and very good at their work. Most people...
