MOVING THROUGH PARALLEL WORLDS TO ACHIEVE YOUR DREAMS: THE EPIC GUIDE TO UNLIMITED POWER

[DOWNLOAD](#)

Kevin L. Michel. Paperback. Book Condition: New. Paperback. 212 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Quantum physics has revealed that objects can exist in more than one location simultaneously, even though the objects are invisible to us in all but one location, that is, parallel universes exist. This is most blatantly revealed in the mind shattering double-slit experiment and is at the core of what is called the measurement problem, in quantum physics. The results are startling, but this is what the science is clearly showing. It is human awareness that causes matter to fix into a single position, and reveal a single reality. The science is showing that at every moment we become aware of our reality, the universe splits into unseen parallel dimensions and we become trapped in just one of these many parallel realities. This is all powerful stuff but what does this mean for our lives What if you could learn how to access these parallel worlds that are being created What if you could do what many billionaires and great minds in history have done but have only hinted at. What if you could move through parallel realities in order to achieve unfathomable greatness. Abraham Lincoln, Albert Einstein, Michelangelo, Nikola Tesla, Isaac Newton, Alexander G. Bell, John D. Rockefeller and many others all used this quantum mind power that is now available to you. What this power is I cannot say; all I know is that it exists. - Alexander Graham Bell This is one of the most powerful books you shall ever read. With research from quantum physics, psychology, biology and behavioral epigenetics, as well as many great spiritual teachings, Moving Through Parallel Worlds will guide you on a path to achieving your grandest ambitions. The title, Moving Through Parallel Worlds To Achieve Your...
