THE AUTISM SISTERHOOD: A (BRIEF) MANUAL (PAPERBACK)

Createspace, United States, 2010. Paperback. Book Condition: New. 224 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.This book began as a thought: What if one of my good friends learned her child had autism? What would I say? How would I use my experience to help her navigate this new road? Thus, began my project of writing down words of encouragement and support and, best of all, real-life ideas and suggestions to help guide her [you] through this new journey. Between you and me, I am very thankful for what life has brought my way because it has made all the difference. I have two boys diagnosed with high functioning autism. When my oldest son was first diagnosed, I had no idea what autism really was. This, of course, is no longer the case. The Autism Sisterhood: A (Brief) Manual is designed to be a starting point. It's short because I know you don't have much free time to sit without interruption, and it's small because I hope that once you've read it, you'll place it in your purse or backpack and pass it along to another mom (or dad) who may need it. We're all in this together-learning, supporting, and laughing. So, should your son or daughter receive an autism diagnosis, please take a moment. Deep inhale. Slow exhale. Relax and know that autism is an incredible journey, and you all are going to be just fine.
