JOHN BULL IN FRANCE: OR FRENCH AS IT IS SPOKEN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from John Bull in France: Or French as It Is Spoken This is a book of real conversation, that is of conversation such as may, and do actually, occur in everyday life, especially between travellers. John Bull, who in this particular case is well acquainted with French, lands at St. Malo; visits some of the most interesting nooks and corners of France; makes his way to Paris, where he meets his niece who is at school in the capital; and shows her some of the sights of Paris, until the arrival of her parents. He then returns to England by way of Rouen, Amiens, and Calais. John Bull, being a good-natured fellow, a great smoker, not in any way inclined to dyspepsia, is very talkative and fond of asking questions. Thus he converses with all sorts and conditions of men; and, as Frenchmen do not usually belong to the silent and morose species, they readily respond, and thus the conversation never flags. This simple expedient has afforded ample scope for true and genuine dialogue, and for the introduction of a great number of expressions habitually used in conversation.
