Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

THE COMPLETE BUSINESS PROCESS HANDBOOK: BODY OF KNOWLEDGE FROM PROCESS MODELING TO BPM (PAPERBACK)

ELSEVIER SCIENCE TECHNOLOGY, United States, 2015. Paperback. Book Condition: New. 234 x 190 mm. Language: English . Brand New Book. The Complete Business Process Handbook is the most comprehensive body of knowledge on business processes with revealing new research. Written as a practical guide for Executives, Practitioners, Managers and Students by the authorities that have shaped the way we think and work with process today. It stands out as a masterpiece, being part of the BPM bachelor and master degree curriculum at universities around the world, with revealing academic research and insight from the leaders in the market. This book provides everything you need to know about the processes and frameworks, methods, and approaches to implement BPM. Through real-world examples, best practices, LEADing practices and advice from experts, readers will understand how BPM works and how to best use it to their advantage. Cases from industry leaders and innovators show how early adopters of LEADing Practices improved their businesses by using BPM technology and methodology. As the first of three volumes, this book represents the most comprehensive body of knowledge published on business process. Following closely behind, the second volume uniquely bridges theory with how BPM is applied today with the most extensive information on extended BPM. The third volume will explore award winning real-life examples of leading business process practices and how it can be replaced to your advantage. * Learn what Business Process is and how to get started* Comprehensive historical process evolution* In-depth look at the Process Anatomy, Semantics and Ontology* Find out how to link Strategy to Operation with value driven BPM* Uncover how to establish a way of Thinking, Working, Modelling and Implementation * Explore comprehensive Frameworks, Methods and Approaches * How to build BPM competencies and establish a Center of Excellence * Discover how...
