Sometimes it will be joy and sometimes it will be fear. I can honestly say that being a father of twins has brought on the gauntlet of types of emotions one could feel. This book will help aid your emotions in being more joy felt throughout the process than fear. Written by a father of twins, I know what you are going through at every stage of the way. Let this book help shed some light and support on what is to come. Although all twins are different this book is written based on my experiences and the outcomes to my decisions, both right and wrong. Hopefully you can draw from this book some level of wisdom to be better prepared for what is to come. Good luck and congratulations!.
