Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Massachusetts Crop Report: For the Month of May, 1896 In Bulletin No. 1, Crop Report for the month of May, we present the first of our series of monthly crop bulletins for the current year. These bulletins will not vary much in general style and plan from those of preceding seasons, and we shall endeavor to issue them as near the close of the month as possible. Although we do not this year assist financially in the issuance of the weekly crop bulletins of the Weather Bureau, the section director, Mr. J. Warren Smith, has kindly arranged for the sending of them to all those on our mailing list. The first number was issued under date of April 28. As heretofore, a short article by one of the specialists of the Board of Agriculture will be included in each issue. This bulletin contains a report of the meetings of the Massachusetts Fruit Growers Association, by the botanist and pomologist of this Board, who is also secretary of the association. Report on Farm Animals. [Report No. 123, U. S. Department of Agriculture, Division of Statistics.] There is a decided falling off in the number of horses throughout the interior, on the Pacific slope, in parts of the Rocky Mountain and upper Missouri regions, and a slight decrease in the Atlantic States; elsewhere there is a prevailing increase. The total falling off in number amounts to 769,261, or 4.8 per cent. The decline in New York, New Jersey and Pennsylvania is attributed to the introduction of electric and cable cars and to the increased use of the bicycle. The average price has fallen from \$36.29 in 1895...
